# Introduction

---

## Purpose

The purpose of the **Performance Test Results** document is to provide a structure for the systematic recording of performance test cycle executions and the results obtained. This document is not a key deliverable in the performance testing process and does not required review or acceptance by project or business managers.

The Performance Test report will thoroughly document the findings/results recorded in rough format in this document.

---

## Test Cycle <Test Cycle Number>

Test Cycle Start: <Test Cycle Start Date> at <Test Cycle Start Time>

Test Cycle End: <Test Cycle End Date> at <Test Cycle End Time>

---

### Test Cycle Objective

---

### Test Cycle Parameters

---

### General Observations

---

### Specific Results and Measurements

## Open and Closed Issues for this Deliverable

### Open Issues

| ID | Issue | Resolution | Responsibility | Target Date | Impact Date |
|----|-------|------------|----------------|-------------|-------------|
|    |       |            |                |             |             |
|    |       |            |                |             |             |
|    |       |            |                |             |             |
|    |       |            |                |             |             |

### Closed Issues

| ID | Issue | Resolution | Responsibility | Target Date | Impact Date |
|----|-------|------------|----------------|-------------|-------------|
|    |       |            |                |             |             |
|    |       |            |                |             |             |
|    |       |            |                |             |             |
|    |       |            |                |             |             |
