Comments
Would you recommend our service to others? Would you contract for services with us again? Would you be a reference for the consulting team or the individual consultants? If you replied 'No' to either of the previous questions, please explain: Are there any consultants whom you wish to bring to our attention? Why? How could we improve our business relationship?

Please **nominate** the individual(s) who were primarily responsible for the success of the project and indicate the contribution of these individuals.
